District 66 Business Meeting Standing Rules

**From TI District Administrative Bylaws, Articles IX - XI and XIII, as amended
(Not subject to approval by the District Council)**

Voting District Council Composition: The District Council shall consist of the District Executive Committee and the President and Vice President Education from each member club in the District. These shall be the only voting members of the District Council. The District Executive Committee is composed of the District Director, Program Quality Director, Club Growth Director, Public Relations Manager, Administration Manager, Finance Manager, Division Directors, Area Directors, and the Immediate Past District Director.

Quorum: One-third of the Presidents and Vice Presidents Education from member clubs in the District shall constitute a quorum for District Council Meetings. In the event business is transacted at a District Council Meeting when a quorum is not present, the action shall be deemed valid if it is expressly approved, in writing, personally, by mail, fax, e-mail, electronic transmission or other reasonable means, by the affirmative vote of a majority of the member clubs in the District on the basis of two votes per club.

Proxies: When the voting process is conducted virtually, no proxies will be permitted.

Voting: Each member of the District Council in attendance at a virtual Council Meeting is entitled to one vote. Each district council member must cast their own vote. District executive committee members are entitled to one vote and may cast up to one additional vote as a club president or vice president of education of their club.

Rules of Order: Robert's Rules of Order Newly Revised shall be the final authority on parliamentary procedure as far as they do not conflict with any provision in the District Administrative Bylaws, the Articles of Incorporation or Bylaws of Toastmasters International, Policies and Procedures, set by the Toastmasters International Board of Directors.

District 66 Business Meeting Ground Rules

Parliamentary Aids: To expedite the meeting, the Chairperson will use unanimous consent as much as possible, especially in accepting the submittal of committee reports. Any Council Member may object to unanimous consent by stating "objection" when the presiding officer says, "if there are no objections" or "hearing no objections." With any objection, a motion will have to be made and seconded, discussed and voted. While all points of view are entitled to be heard, that does not mean every member needs to speak. Because of limited time for debate and discussion, members are asked to primarily make statements that offer new

information and not repeat what has already been stated. Rights of the minority

opinions are to be protected and respected even though majority rules. Courtesy should be extended to all participants and that includes not asking redundant questions that have previously been answered either in the delegates' package or by other delegates.

Credentials: Online registration for this virtual meeting will be used to validate the credentials for the voting members of the District Council. Once online registration for the virtual District Council Meeting is closed at the designated time and a quorum exists, online registration will not be reopened.

Submittal of Motions: Resolutions, motions, or amendments to motions over 12 words, excluding "I move that," shall be submitted in writing to the Chairperson immediately after making the statement.

District 66 Business Meeting Ground Rules (continued)

Addressing the Council: Recognition by the Chairperson is required before a person addresses the District Council. To address the District Council, an individual must address the Chairperson and wait for acknowledgment by the Chairperson. Once acknowledged, the individual should state their name, club name, club number, District Council role, and then succinctly state the business. Without recognition, comments will not be part of the official record.

Virtual Meeting Procedures: When the member registers online to attend the meeting, an email will be sent acknowledging registration that contains instructions on how to join the meeting using their computer, smart mobile device, or telephone. All attendees are urged to join via their computer or mobile device so the presentations can be viewed, and the member can participate interactively. Upon joining the meeting, all attendees will be muted except for the Chairperson and recognized speaker at the time. If a member wishes to speak, that member must "raise your hand" by clicking on the hand icon in the participant window (could be under the "more" menu) or if participating by telephone, the member can enter "* 9" (star 9) on the keypad. When the Chairperson recognizes the "raised hand," that member will be unmuted to speak their business.

When voting on a motion is required, computer participants will have the opportunity to respond to an online ballot using the poll feature of the virtual conference application. Telephone only attendees will vote by entering "* 9" (star 9) when instructed by the Chairperson and the "raised hand" votes will be counted manually.

Business Time Limits and Guidelines for Participation: There will be limited debate on items of business. Everyone shall have a maximum of one minute to address the question. District Council Members have the right to debate. Non-voting members of the council MAY be invited by the chair to speak on the issue under discussion if they have information pertinent to the motion under discussion. The maximum time for discussing or debating any motion, including its amendments, shall be ten minutes. Unless two-thirds majority of Council Members

vote in favor of any motion to change the time limits for debate, the Council will immediately vote on the pending question if the ten-minute limit is reached. Any Toastmaster in good standing may voice their opinion on any question of business but may not make any motion nor vote on any business unless they are a District Council Member.

Announcements: The Chairperson should be informed of any intentions to make announcements before the start of the District Council Meeting.
